Multisite Strategic Planning

CENTRAL DECISIONS	CAMPUS DECISIONS
Aligning our strategy and execution to make the greatest use of our resources and enable campus staff to invest in people. 1. Which aspects of ministry should be the same across all campuses? 2. What can we align across all campuses to make best use of our financial resources? 3. Where could we free up our campus staff to focus their time on caring for people and developing leaders? 4. Which aspects of ministry are core to our strategy? 5. What could we not imagine being different across campuses?	Empowering campus staff to make the localized decisions that will impact their ability to reach and develop people. 1. Which aspects of ministry will be impacted by unique local challenges? 2. Where would we like to encourage creativity and innovation among campus leaders? 3. What are the decisions that campus leaders will have the best perspective to make? 4. Where could our global plans get in the way of local opportunities? 5. How might different venue types (e.g. schools) require us to adjust?
